Daniella, My apologies for the delay in getting back to you. If been out of the office the previous 3 weeks (b) (6) and work travel. Since we last met, I've lost 2 UIC staff through internal transfers to other programs within Region 10 and the remaining permitting staff person is on a detail to Region 9. I expect to onboard a new staff person in early November. We have not had the resources to review your response. Looking at the schedules for EPA staff, Oct. 5 2-3 PM PT is available.
